Common spoken words

condition we should I work backwards to the presentation because it's time to do that now let me walk you through hold on one second harvest and I'm opening up the what is it it's probably why did it mess up everything go this is my recents is not my garbage that's why I okay so what is Corpus Corpus is here and we go to these people on the right while I generated a lot of these as I mentioned it was a fun experiment to procrastinate like 5 Seconds every 5 minutes to check this out preview okay for removal I think because there's nothing that it does me and we've already had enough stuff but it's taking away from it about every plot that goes before it to make it read like a cohesive report and yeah that's fine wait where the summary of there's no summary stop caring if you want to do that and it does look like right now maybe it's only detecting my voice your voice is also less detectable by my own years so that makes sense that you sent me yeah
