

yeah it seem like somebody changed to not include my report not include the audio thing but it is sad that I have spoken for really long but it did not record a lot of what I had said but it doesn't record some of my keywords which is nice and a good feature to have in general I did use the word **understand** spice so it might be nice to have that okay let's keep speaking for a longer 11 minutes and around 2004 things together and see what's good this is the same that I need to have done because that's the main thing that I have not yet. okay so then we are going to look at this again to give us have the **motivation** to get is looking pretty I just need to add a bunch of stuff in it already at 42 pages so that's really awesome I think let's now go to the part of the thesis oh yeah I have enough naked work better so that we can have **something** to give me like 15 minutes to do the gift thing okay and take about 30 seconds to do so like 30 minutes and the. When I come back at 6:30 to finish all the way to with it which is fine but I will have those tables that I write about and I have those I am going to stalk 6835 about the game and I am going to talk about
