

hi everyone I am Charlie and I am a little bit nervous for the next few hours because I have a lot to do for my 6835 final paper however I am convinced that I will be able to make this work out by dividing the dots that have to do into little subclass that are manageable to work on like I have been doing I'm excited to make a checklist for the different. That I have to do and continue chipping away at the different parts of the paper that had to be written I hope it all works out and I hope that the transcript that is generated from this speech is also an accurate transcript but if not I will just report whatever figure comes out of that so I am looking forward to completing the rest of my paper tonight and it should be very
